

APPLICATION FOR A CERTIFICATE OF APPROPRIATENESS

Preparing Your Application:

Please read the application carefully to determine what may be necessary to describe your project. In addition to the written description, supporting information may include plot plans, photographs, drawings, or sample materials. Make sure your written description and supporting materials accurately illustrate your proposal. If Capital Area Preservation (CAP) staff or WCHPC members cannot fully understand your proposed changes due to insufficient information, they cannot determine that the changes meet the guidelines. Submitting an incomplete application on the deadline will result in an additional months delay before the commission can issue a certificate of appropriateness. CAP staff is available to advise in the preparation of applications. **Please type or use BLACK INK only. Use paper no larger than 11" x 17" for any required supporting information.**

Filing Your Application:

Mail the completed application to: Capital Area Preservation, PO Box 28072, Raleigh, NC, 27611. Submitted materials become the property of the Wake County Government and will not be returned. Incomplete applications will be returned to the applicant for revision. CAP staff will contact applicants after receiving an application to discuss the next steps of the review process.

Minor work applications can be reviewed and approved by Capital Area Preservation (CAP) staff and can be filed anytime. Major work applications that require review by the Wake County Historic Preservation Commission (WCHPC) must be submitted no later than 5:00 p.m. on the application deadline (see attached schedule) in order to be heard at the next meeting. See *Certificate of Appropriateness Q & A* for more information on the review process.

Notification:

CAP staff can usually review minor works applications within a few days of submittal. If you are filing a major work application, a meeting agenda will be sent to you about one week before the meeting.

You will be notified of the decision on the application by mail. If your application is approved, you will receive a certificate of appropriateness placard in the mail. The certificate must be posted at the job site as indicated on the bottom of the placard. You may then obtain necessary permits and begin your project.

Thank you very much for your interest in protecting Wake County's historic resources!
